

PRODUCT INFORMATION SHEET

CHESSER BLEACH/SANITISER

Multi-purpose CHESSER BLEACH/SANITISER with many applications in the laundry, kitchen and bathroom.

FEATURES

- Chesser CHESSER BLEACH/SANITISER is a liquid chlorinated CHESSER BLEACH/SANITISER. Chlorine is a very powerful CHESSER BLEACH/SANITISER capable of removing many stubborn stains.
- CHESSER BLEACH/SANITISER has many uses. It can be used in the laundry to remove stains from white linen, in the bathroom to kill mould and mildew, and in the kitchen for destaining tea and coffee cups, chopping boards, etc.
- CHESSER BLEACH/SANITISER is a powerful disinfectant as well as a CHESSER BLEACH/SANITISERing agent.

HOW & WHERE TO USE

- In the laundry add 1/2 to 1 cup of CHESSER BLEACH/SANITISER to 1 litre of water, then add to the wash. Do not pour directly onto clothes. Only use on white fabrics.
- For CHESSER BLEACH/SANITISERing stubborn stains soak in a bucket containing 1/2 cup in 2.5 litres cold water. Soak for 5 minutes, then rinse well.

- For kitchen, bathroom and laundry surfaces for killing and CHESSER BLEACH/SANITISERing mould and mildew, use at a rate of 1:20 (1/2 cup in 2.5 litres of water).
- Always read washing instructions to see if CHESSER BLEACH/SANITISER can be used. Never use on wool, silk, leather, rayon or acetate.
- Do not mix it with any other chemicals unless directed.
- If using manually, do not use in hot water to avoid chlorine fumes being given off.
