

Cutan® Luxury Foaming Soap

Product Education Sheet

Description: A mild perfumed social foaming soap suitable for frequent use

Usage: For use in any washroom/ toilet areas in offices & public facilities

Method of Use: Apply foam to hands, lather well and rinse off before drying skin thoroughly.

Feature	Benefit
Environmental Choice Australia Certified Product	The product has been independently certified as meeting the requirements of Good Environmental Choice Australia.
Low Active Content	Foam generates 20 times the volume in contact with the skin, reducing the possibility of drying or irritation.
Rich-Cream Foam	Combines mild non-ionic surfactant with organic stabilising molecules to create a rich-cream foam formula with excellent skin-feel properties both during and after use.
Fast Acting	Deb Foam Technology™ produces a low surface tension that enables the foam lather to be spread easily across all parts of the hands to start working quickly.
Quick Rinsing	Foam rinses off hands quickly and easily to leave no residues on skin or in sinks.
Conditions Skin	Contains skin moisturiser to help improve skin hydration and prevent drying, leaving the skin feeling smooth and firm after use.
Reduces Cost-In-Use	Offers over 1500 hand wash per cartridge combined with controlled optimum dosage, ensures the right amount of product is used every time to minimise wastage.
Hygienic cartridge	The cartridge and patented foam pump are ultrasonically sealed during the manufacturing process to protect the product. The pump is designed to prevent air ingress into the cartridge during normal use, thus minimising the risk of external contamination and maximising product evacuation with no unused product left.
Light Fragrance	Pleasant during use and suitable for frequent washing
