

Stokoderm® Sun Protect 50+

Water resistant SPF50+ sunscreen for use to protect the skin against the sun's harmful UV-A (ageing) and UV-B (burning) rays. 4 hours water- resistant.

USAGE

For use on any part of the body exposed to the sun whilst working outdoors. Suitable for all skin types.

METHOD OF USE

Apply liberally to clean, dry skin and rub in evenly 20 minutes prior to sun exposure. Re-apply every 2-3 hours, as a minimum, or more often if sweating heavily.

Features	Benefits
High Performance	Sun Protection Factor of 50 provides very high protection against the sun's UV-A and UV-B rays.
Pleasant to Use	Contains vitamin E to soothe and condition the skin.
Non greasy after feel	The cream is quickly and easily absorbed into the skin to encourage regular use and not affect dexterity with hand held tools.
Versatile	Can be used under clothing to minimise the risk of penetration of the sun's rays through the fabric onto the skin
Softens and Soothes	Contains emollient matrix of Beeswax and Mineral Oil to hydrate the skin and leave it soft and smooth after use.
Moisturises	Contains a high level of moisturisers to condition the skin
Water resistant formula	Withstands heavy perspiration or immersion in water; ideal for outdoor workers.
Photostable formula	Does not degrade when exposed to sunlight
Neutral pH	Ensures compatibility with the skin and reduces the risk of any possible irritation
