

PRODUCT INFORMATION SHEET

ENCORE

Encore is a premium grade concentrated manual dishwashing detergent and light duty cleaner.

FEATURES

- Encore is a clear yellow viscous liquid with a fresh lemon fragrance. Encore is a premium grade concentrated manual dishwashing detergent and light duty cleaner.
- Encore is a concentrated product. Only a small amount is needed with each load of dishes. This makes it highly economical, and means dispensing bottles only have to be filled on occasional basis, saving time.
- Encore contains a special blend of detergents to give good grease cutting ability and lots of bubbles, yet still be mild on the skin.

HOW & WHERE TO USE

- Add about ½ to 1 teaspoon to a domestic sized sink, or 10 – 20mls in a commercial sink.
- The level of suds gives an indication on whether enough or too much has been added. Collapse of bubbles means more detergent should be used.
- Excessive suds shows too much has been added.
- As a light duty cleaner for any washable surface use 5-10mlsin a 10 litre bucket.
