

PRODUCT INFORMATION SHEET

LEMON LOTION

Manual Dishwashing and Light Duty Cleaner.

FEATURES

- Lemon Lotion is a viscous yellow lotion detergent with a fresh lemon fragrance. Lemon Lotion is used for manual dishwashing and light duty cleaning.
- Lemon Lotion is a superior general purpose detergent with many applications. As well as being a dishwashing detergent it can be used to wash benches, floors, even the car.
- Lemon Lotion contains a neutral pH blend of detergents which combine good cleaning ability with mildness to the skin.

HOW & WHERE TO USE

- For manual dishwashing use at around 2ml/litre, or about 10 ml (2 teaspoons) in a domestic sink. In a commercial sink use 30 – 50 mls.
- For general purpose cleaning use at 10 – 20 ml in a 10 litre bucket.
