

PRODUCT INFORMATION SHEET

MAGNUM RINSE

Premium Grade Rinse Additive with Built in Descaler

FEATURES

- Magnum Rinse is a premium rinse additive available in 5 or 15 litres. It is designed for use on commercial dishwashers in conjunction with Magnum Detergent.
- Magnum Rinse contains a built in Descaler to keep the rinse jets scale free for maximum rinsing efficiency.

HOW & WHERE TO USE

- Magnum Rinse is designed for use on commercial dishwashers.
- Magnum Rinse is automatically added to the dishwasher by an electronic feeder. This is adjusted for optimum results by a Technician.
