### **MISTY CONCENTRATED LIQUID DISINFECTANT CLEANER**

#### **DESCRIPTION**

MISTY is a clear green coloured liquid that contains a combination of cleaning agents and highly effective quaternary sanitisers plus a long lasting fresh smelling residual perfume.

#### **APPLICATION**

MISTY has been specially formulated to clean all hard surfaces and to leave cleaned surfaces germ free.

Typical uses would be the cleaning and sanitising of bathrooms, showers, toilets, basins, locker-rooms and change-rooms.

MISTY is an ideal cleaner/sanitiser for use in motels, hotels, surgeries and nursing homes.

Stains, grease and dirt marks are all quickly and easily removed from all hard surfaces.

#### **FEATURES**

- \* Multi-functional
- \* Contains a broad spectrum bactericide
- \* Contains a high residual perfume
- \* Based on mild detergents

#### **BENEFITS**

- \* Cleans, sanitises and deodorisers in one application.
- \* Cleans, sanitises and deodorises in one application.
- \* Leaves a fresh long lasting fragrance.
- \* Safe of all surfaces.

#### **DIRECTIONS FOR USE**

For normal cleaning and sanitising requirements use at a dilution of 1 part of MISTY to 100 parts of hot water (two thirds of a cup to a bucket). To clean more heavily contaminated areas a dilution of 1 in 25 is recommended

The Product Information Sheet supersedes all previous issues for this product. Information contained herein is offered in good faith as being true and accurate to the best of our knowledge, but as the conditions of use are beyond our control, no guarantees are either stated or implied.

Where health or safety data given discloses a risk to the user or the environment, it is the responsibility of the purchaser to pass on the information to employees who may be using the product, ensuring that adequate safety procedures are used, including good industrial hygiene.
