

PRODUCT INFORMATION SHEET

Natural Orange Cleaner

Natural Orange Cleaner is a clear orange liquid with a fresh orange and mango scent. This is a versatile multi purpose cleaner that can be used on all washable surfaces.

FEATURES

- Natural Orange Cleaner is moderately alkaline. This gives it good cleaning ability, yet it isn't classified as hazardous or as a poison, and so is safe and pleasant to use.
- Natural Orange Cleaner is also safe for the environment. The phosphate free formula uses a naturally derived water softening agent, solvents made from orange oil and sugar cane, plus rapidly biodegradable detergents.
- The special streak free formula can be used on any washable surface, and makes cooker tops, fridges and basins sparkle.
- Natural Orange Cleaner has a fresh fruity fragrance with orange, mango and other fresh fruity notes making cleaning a pleasure

HOW & WHERE TO USE

- In a bucket use at dilutions from 1:40 (1/2 cup in a bucket) for heavy soiling, to 1:80 (1/4 cup in a bucket) for general cleaning
- In a trigger spray the normal dilution is 1:20 (25ml in a trigger spray bottle). This can be reduced for light duty applications such as wiping down tables, or increased up to 1:10 for heavy duty cleaning.
