Note: CHESSER CHEMICALS Pty., Ltd., provides the information submitted in this Product Information Sheet based on our current knowledge and experience. In view of the many factors that may affect processing and application, these data do not relieve users from the responsibility of carrying out their own tests and experiments; neither do they imply any legally binding assurance of certain properties or of suitability for a specific purpose. It is the responsibility of those to whom we supply our products to ensure that any proprietary rights and existing laws and legislation are observed.

Product: RTU SANITISER

720ml Spray Bottle

RTU SANITISER is a Ready to Use – No Rinse, Food Safe Sanitiser. It is at the correct concentration to treat pre-cleaned hard surfaces and food preparation areas.

DESCRIPTION

RTU SANITISER is a ready to use no rinse, food safe sanitiser. It is always at the correct dilution so there is no chance of leaving harmful residues on surfaces as is with concentrated products.

RTU SANITISER contains a blend of sanitiser, detergent and a solvent. The solvent assists in rapid drying and a streak free finish.

RTU SANITISER is designed to be sprayed over clean hard surfaces as a no rinse, food safe surface sanitiser.

Surfaces should be clean and free of major food soiling before applying RTU SANITISER

RTU SANITISER can also be used as a spray and wipe cleaner on lightly soiled surfaces. Surfaces will still need to be sanitised after cleaning.

Contains 200 ppm Quaternary ammonium compound

APPLICATION

- Use RTU SANITISER on all surfaces in kitchens and other food preparation areas. Clean thoroughly, then spray over surfaces and leave to dry.
- RTU SANITISER is ideal for work benches, fridge and microwave doors and handles, chopping boards, food mixers, meat slicers etc.

SAFETY AND FIRST AID

Refer to SDS before Use

HAZARDOUS according to the criteria of the Globally Harmonised System of Classification and Labelling of Chemicals

SIGNALWORD:

WARNING
