

PRODUCT INFORMATION SHEET

SALUTE

Economical Manual Dishwashing Detergent and General Purpose Cleaner

FEATURES

- Manual Dishwashing: Salute is an economical yet highly effective detergent. Normal use levels around 2 g/litre (1:500) will produce a high level of suds with good grease cutting ability.
- General Cleaner: For washing floors, equipment, benches etc. Use from 25-50ml in 5 litres water. Rinse food contact surfaces.
- Salute has a fresh lemon fragrance.
- Fruit washing: Salute may also be used for washing fruit and vegetables to remove moulds, sprays and general dirt. Use at rate 0.5-1ml per litre. Rinse with potable water after washing to remove product residues.

HOW & WHERE TO USE

- For manual dishwashing use Salute at a level of about 2 g/litre, or about 10 - 15 mls in a domestic sink, or 50 mls in a commercial sink. As a light duty cleaner for all surfaces use at 10 - 20 mls in a 10 litre bucket.
