

PRODUCT INFORMATION SHEET

WOOLLY WASH

Woolly Wash is designed for washing woollens and washable delicate fabrics both in a machine and for hand washing.

FEATURES

- Woolly Wash being liquid dissolves instantly making hand washing fast and easy.
- Woolly Wash has a near neutral pH and is safe to use on all washable woollens and delicate fabrics.
- Woolly Wash is also safe for the environment being phosphate free and containing a blend of biodegradable detergents. It contains natural Australian eucalyptus oil to help with cleaning and deodorising.

HOW & WHERE TO USE

- For machine washing add $\frac{1}{3}$ cup Woolly Wash per 5Kg capacity and use gentle warm wash cycle.
- For hand washing use $\frac{1}{8}$ cup in a bucket or $\frac{1}{4}$ cup in a laundry trough. Wash in warm water using minimum agitation, and allowing to soak. After washing rinse with clean water to remove detergent residues and dirt.
- Dry woollens flat resting on a towel out of direct sunlight.

Do not use any alkaline detergents or chlorine bleach on woollens.
